Uhh...this aint over  
Hey little girl this is the story  
And I'm sorry for all the things I've done  
Now that we know so much about us  
It could be the end or a second chance  
Save me, this aint over  
And maybe we are much closer  
To every dream we had  
I wish it could be just a new beginning  
Hey little girl didn't mean to hurt you  
I know our love is strong enough  
So here we are it's all about us  
It could be the end or a second chance  
Save me this ain't over  
And maybe we are much closer  
To every dream we had  
I wish it could be just a new beginning  
Save me this ain't over (this ain't over)  
And maybe we are much closer  
To every dream we had  
I wish it could be our new beginning  
This ain't over (over)  
I wish it could be just a new beginning  
This ain't over (over)  
Don't ever let me down  
'cause this ain't over (ain't over)  
Hey little girl now that you know the story  
It could be the end or a second chance  
Save me this ain't over  
And maybe we are much closer  
To every dream we had  
I wish it could be just a new beginning (new beginning)  
Save me this ain't over (this ain't over)  
And maybe we are much closer  
To every dream we had (ever dream we had)  
I wish it could be our new beginning (new beginning)  
This aint over (yeah)(over)  
I wish it could be just a new beginning (just a new  
beginning)  
This aint over (over)  
Don't ever let me down  
'cause this ain't over
