I (I)

I want (I want)

I want you (I want you)

I want you to (I want you to)

I want you to be (What?)

I want you to be my baby

Will (Will)

Will you (Will you)

Will you please (Will you please)

Will you please tell (Will you please tell)

Will you please tell me (What?)

If you're gonna be my baby

Listen to your Mama and you never will regret it
And if anybody wonders you can tell 'em that I said it
The only thing I know is that I never can forget ya
I been longin' for ya baby ever since the day I met ya
I gotcha where I want ya and I'm never gonna let ya get
away from me

Hear what I tell ya

I'm the gal for you and so you'd better start to face it

If you ever lose my love you know you never can
replace it

I think it's time for you to start to givin' me some lovin'

Carryin' a torch for you that's hotter than an oven

It's time for you to give me a little bit of lovin'

Baby, hold me tight and do what I tell you

I (I)

I want (I want)

I want you (I want you)

I want you to (I want you to)

I want you to be (What?)

I want you to be my baby

Will (Will)

Will you (Will you)

Will you please (Will you please)

Will you please tell (Will you please tell)

Will you please tell me (What?)

If you're going to be my baby

[Orchestral Break]

Hear what I tell ya

I'm the gal for you and so you'd better start to face it
If you ever lose my love you know you never can
replace it

I think it's time for you to start to give me some lovin'
Carryin' a torch for you that's hotter than an oven
It's time for you to give me a little bit of lovin'
Baby, hold me tight and do what I tell you

I (I)

I want (I want)

I want you (I want you)

I want you to (I want you to)

I want you to be (What?)

I want you to be, want you to be

Want you to be my baby
