Standing on the outside, I don't know where I'm going to
But I do know-ow just one thi-ing, and that is it's over with you

I've been very lonely, I did not think I could go on
I was caught - in mem'ries-ies, and dreams I should have won

Blind Freddy knew that, a blind man could see
I was in love wi-ith you, but you weren't in love with me

Suppose I'll have to keep it, keep it inside, I don't know why
Well I know, that it won't change it, but baby, it helps if I cry

Blind Freddy knew that, a blind man could see
I was in love wi-ith you (in love with you)
But you weren't in love with me

It used to be so perfect (so perfect)
It used to be so perfect (so perfect)
In lovin' you (used to be so perfect lovin' you)
It used to be so perfect, it used to be so perfect
In lovin' you (used to be so perfect)

So now I'm standing on the outside, I don't know where I'm going to
But I do know just one thi-ing, and that is it's over with you

Blind Freddy knew that, a blind man could see
I was in love wi-ith you (in love with you)
But you weren't in love with me

Blind Freddy knew that, yes he knew it
A blind man could see, yes he could, yes he could
I was in love wi-ith you (in love with you)
But you weren't in love with me (you weren't in love wi-ith me)
My baby's not in lo-hove (you weren't in love with me)

Weren't in love, weren't in love (you weren't in love with
me)
My baby's not in love (you weren't in love wi-ith me)
Weren't in love, weren't in love (you weren't in love with
me)
Weren't in love, weren't in love (you weren't in love with
me)
Weren't in love, weren't in love (you
