Mr. Serv-On

I know this bitch named Ranetta, neighborhood dick
sitter
& Ain't nobody licked a dick better
Than your ass so well grab your ankles throw that ass
in the air
And Pop that pussy like you just don't care
Come on all my hoes in Atlanta & Pensicola
I heard you like to lick the dick for the yola
All my bitches in Texas and Louisville
Drop to your knees & lick the dick for the cheese
All my hoes in St. Louis & Mississippi
I heard you like it from the back, so let me hit it like that
& all my bitches in Mobile & Florida
I'ma hit the long dick & strong dick ya
& ain't no wrong dick ya It was the weed I didn't trick ya
I heard you like to fuck, so let me stab you in the guts
& give it up I gives a fuck
I gives a fuck to all my niggas come on
would you hit it from the back?
YOU KNOW I WOULD
Would you let her suck your dick?
YOU KNOW I WOULD
Would you let her fuck your boy?
YOU KNOW I WOULD
Would you fuck her best friend?
YOU KNOW I WOULD
Would you put it in her face?
YOU KNOW I WOULD
Would you come down her throat?
YOU KNOW I WOULD
Would you fuck this other bitch?
YOU KNOW I WOULD
Would you fuck another bitch?
YOU KNOW I WOULD

MIA X

I know I would let a dogg ass nigga talk his shit
Bury his head between my legs & lick

Until I bust on his upper lip trust me
He'll pay the rent for six months before he fucks me
Touch me only with your tongue
Cause I ain't the one; I'm strictly bout your funds, my
guns
Stay cocked lay your ass on the floor
Pop the lock on the safety deposit box, open the door
To the safety man remember your boy
he said you'd let him hit this
he told me all your business
now your gonna witness
the things niggas do for ass
thats the answer to your question What? Where's your
cash?
Cha-ching nigga check my wrists
Fingers, neck, & ears they get frost bit
I pimp skirts on niggas mama flimflams
& holds more cash than the ATM
Would you let him eat the cat?
YOU KNOW I WOULD
Even lick the ass crack?
YOU KNOW I WOULD
Would you rub it in his mouth?
YOU KNOW I WOULD
Make him pay your car out?
YOU KNOW I WOULD
Would you pussy whip his nigga?
YOU KNOW I WOULD
Make them fly on his figures?
YOU KNOW I WOULD
Would you fuck his rich daddy?
YOU KNOW I WOULD
& Pass they house in his caddy
YOU KNOW I WOULD
