"Well mister, I know you can't resist me  
We've been talking for quite a while now and I'm  
kinda like you  
I know you want me  
I know you really really want me  
Oh let me please you  
Let me please please you  
I know what men like you want, mister  
But nothing comes for free"

Baby, I won't do it for free  
For a price I'll let you see more of me  
I won't do it for free  
Don't pay me in cash, I want diamonds you see  
I won't do it for free  
For a price I'll let you see more of me  
I won't do it for free  
Don't pay me in cash, I want diamonds you see

"I know I can make you feel good  
And you know it too  
You need me don't you?  
I can feel it  
What do you want me to do?  
Really, mister?  
Do you wanna play with me?  
I know you do  
Cause nobody can resist me  
But I'm quite expensive you know"

Baby, I won't do it for free  
For a price I'll let you see more of me  
I won't do it for free  
Don't pay me in cash, I want diamonds you see  
I won't do it for free  
For a price I'll let you see more of me  
I won't do it for free  
Don't pay me in cash, I want diamonds you see

So listen man, I'm not like others  
You know I'm surrounded by men  
I'm all glamour

How much can you spend?

Baby, I won't do it for free  
For a price I'll let you see more of me  
I won't do it for free  
Don't pay me in cash, I want diamonds you see  
I won't do it for free  
For a price I'll let you see more of me  
I won't do it for free  
Don't pay me in cash, I want diamonds you see
