I take a ride in my limousine
I'm eating from the French cuisine
Going shopping at Tiffany's
Jewellery and diamond rings

From Broadway to Hollywood
I hope that I am here for good
I think Marilyn would be proud
If she was watching from a cloud

Je suis une superstar
I'm just looking for some fun
Une superstar
I need my place in the sun
Une superstar
Give me all the fun I need
Une superstar
With my glamour I succeed

But it isn't just a ball
Sometimes even I must fall
Into the darker side of fame
Well you know it's such a shame

But whenever I loose control
I still will have my famous soul
Even I know fame will fade
But some of my glamorous years are paid

Je suis une superstar
I'm just looking for some fun
Une superstar
I need my place in the sun
Une superstar
Give me all the fun I need
Une superstar
With my glamour I succeed

From Broadway to Hollywood
I hope that I am here for good
I think Marilyn would be proud

If she was watching from a cloud

Je suis une superstar
I'm just looking for some fun
Une superstar
I need my place in the sun
Une superstar
Give me all the fun I need
Une superstar
With my glamour I succeed
