I saw you crying  
Look at where you've been  
I'm tired of trying  
I'm crying again

Without you  
Without you  
Lonely Days

Teardrops are falling  
Falling like the rain  
My heart is calling  
No one's to blame

Without you  
Without you  
Lonely Days

My heart is burning inside like a fire  
You were the one  
You were the liar  
Oh yeah

Burning desire  
Will you come again  
Higher and higher  
Look where I've been

Without you  
Without you  
Lonely Days

Without you  
Without you  
Lonely Days
