If I ask you why, would you please reply? I don't know
If I ask you twice? I never ask it twice, would you please
come

Home?

If I ask you why, would you please reply? I don't care

If I say you this - oh god, now I'm in love

No, don't lie to me Don't come along with me

If I ask you why, would you please reply? I don't care

If I ask you twice? I never ask it twice, would you please
come

Home?

I just want to be beautiful and thin all the time

Rip off my head, oh god, now I'm in love

No, don't lie to me Don't come along with me

Oh god I'm in love
