I was that what you wanted
cry I cried myself to sleep every
night in my dreams
you appear
you and me

is this the price I am paying
is this the life that Im supposed to live
is this my heart you are breaking
is this my heart you are breaking, Ivy!

thats why I still believe youre poison, Ivy
thats why I still believe that you aint right for me
thats why I still believe youre poison, Ivy
thats why I still believe that you are poison to me

thats why I still believe youre poison, Ivy
thats why I still believe that you aint right for me
thats why I still believe youre poison, Ivy
thats why I still believe that you wont die for me

how does it feel to think that I still need you?
how can you be so blind, I wont believe in you!

thats why I still believe youre poison, Ivy
thats why I still believe that you are poison to me

I addicted to Ivy
cry I cried myself to sleep every
night this sorrow
is hurting me
its killing me

this is my heart you are breaking
this is my heart you are breaking
this is my heart you are breaking
this is my life you are taking, Ivy

thats why I still believe youre poison, Ivy
thats why I still believe that you aint right for me
thats why I still believe youre poison Ivy

thats why I still believe that you wont die for me

how does it feel to think that I still need you?
how can you be so blind, I wont believe in you!

thats why I still believe youre poison, Ivy
thats why I still believe that you are poison to me
