sandy is a sad girl
freaked out, unhappy
sandy is too broken
why did she ever fake

sandy likes her best friend
kisses her when shes drunk
sandy knows it better
why did she ever fake

sandy is so broken
fake smile on her face
sandy is much better

baby hear so messed up
dissy dreams and lipstick
dressed up for dying
so did she ever fake

shes unhappy girl
shes unhappy girl
dressed up for dying
so did she ever fake

sandy is so broken
fake smile on her face
sandy is much better

sandy is so broken
blood stays on her skirt
sandy is much better

so naive
yeeeeeah

did she ever get so far
did she ever get so far
did she ever get so far enough to make them sorry

sandy is so broken
fake smile on her face

sandy is much better

sandy is so broken
blood stays on her skirt
sandy is much better

why did she ever fake
did she ever fake
did she ever fake
did she ever fake
did she ever fake
did she ever fake
did she ever fake
did she ever fake
did she ever fake
DID SHE EVER FAKE
