So I'm sitting here obediently
Waiting for orders patiently
And I know I'm not to move from this seat
You don't need to tie me down don't wanna be free

I am your soldier I come to serve you
But I've been a good boy/girl I don't deserve you

Oh I salute you
I've faced up to my fate, attempted escape before
Oh I salute you
You don't need to sound the alarm, I'm not gonna run
anymore

So down behind my back and up through my feet
Extracting the poison you claim to beat
I can accept now fighting only ends in pleas
How can I protest when you're stronger than me?

I am your soldier I come to serve you
But I've been a good boy/girl I don't deserve you

Oh I salute you
I've faced up to my fate, attempted escape before
Oh I salute you
You don't need to sound the alarm, I'm not gonna run
anymore

Now that I'm worn you don't want to wear me
Now that I'm torn you don't want to tear me
Now that I'm done you've had your helping
But I'm desperately used, no good to anyone else and

I am your soldier I come to serve you
But I've been a good boy/girl I don't deserve you

Oh I salute you
I've faced up to my fate, attempted escape before
Oh I salute you
You don't need to sound the alarm, I'm not gonna run
anymore
