Some chose to follow others  
Don't think just act  
Like the mighty men have told  
Theses man know how to talk  
Make you believe  
But they don't practice what they preach

The food for the fools is served for us all  
Get your place at the table and you will fall

Grub for the gulls  
Filled with sorrow  
Grub for the gulls  
Spit or swallow

Mankind is marching  
Like marionettes  
Towards money and might  
Isn't that sad'

Grub for the gulls  
Filled with sorrow  
Grub for the gulls

Spit or swallow

Beware the choirs are calling  
To pull you down  
Into the mud of stinking lies  
Filled with misanthropy  
Common people  
Stand up and fight

The pool of decadence is forced with might  
Common people stand up and fight!

Mankind is marching  
Like marionettes  
Towards money and might  
Isn't that sad'

Grub for the gulls

Filled with sorrow  
Grub for the gulls  
Spit or swallow

Don't be a fool  
And serve liars  
You will not survive
