My stomach becomes hollower  
The more I eat alone  
I can hardly stomach  
Getting you on the phone

I feel like an idiot  
Every time I see you  
And I feel like you're an idiot too

I say you look great  
I've lost a lot of weight you say  
My old clothes don't even fit  
Remember my denim jacket

Of course I do

You wore it all three years  
Through camping trips and irrational fears

Australia  
Olympia  
Poughkeepsie  
Oh Poughkeepsie

I'm sick and I'm tired  
I shouldn't be singing  
I'm gonna lose my voice  
But it doesn't really matter

Because I've got no one  
To talk to
