It's not a rhyme or a reason  
It's not a ticket to ride  
It's not a color you're seein'  
It's not a black or white

You got a conscious you're keepin'  
You got a secret to hide  
It's either stayin' or leavin'  
It's a bullet fire inside

Tripped up, your feet are slidin'  
You want it, you need it  
Fall down, you're slowly dyin'  
Desperate man

You see yourself in the mirror  
You see the life that you lead  
A hollow man on the inside  
Another pet that you feed

You let the memory linger  
It tears your heart open wide  
You bought it hook, line, and sinker  
You sold your soul for a lie

Tripped up, your feet are slidin'  
You want it, you need it

Fall down, you're slowly dyin'  
I won't go down so easy  
Inside, you got a reason  
You got it, you got it  
I won't go down so easy  
Desperate man

Silence is broken  
Like standin' on your feet  
You found a solution  
It's a promise you can keep

This desperation  
That you treated like a friend

Leads to the answer  
Live for it 'til the end

You got it, you got it  
Yeah, yeah, yeah, yeah  
You got it, you got it

Tripped up, your feet are slidin'  
You want it, you need it  
Fall down, you're slowly dyin'  
I won't go down so easy  
Inside. you got a reason  
You got it, you got it  
I won't go down so easy  
Desperate man
