Hey,  
What they gone told you 'bout me?  
No way  
There ain't no wild child in me  
No, no  
Nobody gonna de-claw me  
Stray like a cat in the streets!

Hey  
Tell me are you in, or are you out?  
Give you something to talk about  
On the edge of doubt

[Chorus]  
Make you fall like domino,  
Oh baby boy  
Make you fall like domino,  
You don't have a choice  
From L.A. to New York,  
Follow my trail of hearts  
Play you like a game tonight,  
Watch you fall down, down, down, just like...  
Dominoes!  
Dominoes!  
Domi-no-oh-oh-oh-oh-oes!  
Dominoes!  
Dominoes!  
Domi-no-oh-oh-oh-oh-oes!

Now,  
Got your tummy all in knots  
No way  
I don't need no pillow talk  
No, no  
You're gonna need a new compass,  
To follow me,  
I'm gone

Hey  
Tell me are you in, or are you out?  
Give you something to talk about  
On the edge of doubt

[Chorus]

Domi-no-oh-oh-oh-oh-o  
Thought I told you so...  
Domi-no-oh-oh-oh-oh-o  
That's the way you go... (x2)

[Chorus]

Dominoes!  
Dominoes!  
Domi-no-oh-oh-oh-oh-oes!  
Dominoes!  
Dominoes!  
Domi-no-oh-oh-oh-oh-oes!
