I'm here to tell you  
How we mess around here  
We're spewing our notes around  
Have no idea whatever to do  
But we continue  
So that our song will play on  
Until we get kicked out

We'll keep playing till our strings break down  
Rapid fire chords will never drown

We'll keep playing till our strings break down  
Rapid fire chords will never drown

I'm here to tell you  
How we mess around here  
We're spewing our notes around  
Have no idea whatever to do  
But we continue  
So that our song will play on  
Until we get kicked out
