Is this the love  
I got to feel the music  
Is this the love  
Watching you  
Watching me  
Is this the love

Rap 1:  
Come in this place  
And saw your face  
Isaw you dancing  
Dance to trance  
Your body's swing  
Made my bells ring  
I wished  
That we start romance  
All the people in the house  
They share our destination  
Move groove dance and sex  
That's party combination  
Burn  
Burn  
Our hearts burn  
To the point of no return  
Burn  
Burn  
Our hearts burn  
To the point of no return  
Move  
Move on and on  
Come on people get it done

Is this the love ...

Rap 2:  
Time is right to get all up  
Feel the music's energy  
This dance will bring us to the top  
Forget all days misery  
Nighttime makes us sensitive  
For dance and sex and laughter

Forget about all negative  
And get the things you're after  
Come on - come on  
Get it done  
Come on - come on  
Get it done  
Sensitive  
You're sensitive  
Forget about all negative  
Feel the music's power now  
Come close to me  
I'll show you how  
Music's beat flies through the air  
Here  
There and everywhere

Is this the love ...
