MIDNITE DYNAMOS

You better beware and you better take care
when we hit the town tonight.
Kick away the blues, no time to lose,
honey, we can make it right.
Pretty little thing, how your heart will sing,
fill it up with pure delight.
Get a super chance when the guest arrives,
explode like dynamite.

We are the midnite dynamos,
only come alive on the opening shows.
We are the midnite, we are the midnite,
midnite dynamos.
We are the midnite dynamos.
Baby, get a load of our fancy clothes.
We are the midnite, we are the midnite,
midnite dynamos.

So hurry on down, pretty mama, we're in town
and we're really set to go.
You never been alive, do the fancy jive,
don't you ever tell me no.
Come, come away, hear the hot band play,
know they always steal the show.
Going to wear you out, make you jump and shout,
you won't have time to know.

We are the midnite dynamos...

Any place we're cruisin' people know us one by one,
ready packed for action, one for all and all for fun.

You better beware and you better take care
when we hit the town tonight.
Kick away the blues, no time to lose,
honey, we can make it right.
Pretty little thing, how your heart will sing,
fill it up with pure delight.
Get a super chance when the guest arrives,

explode like dynamite.

We are the midnite dynamos...

We are the midnite dynamos...

We are the midnite dynamos!

We are the midnite dynamos!

We are the midnite dynamos!
