Don't cry on my shoulder

Rely on someone who's older.  
I don't know what to tell you  
When you ask about love.

I think I know what's wrong with you

I've been going steady too long with you.  
I don't know what to tell you  
When you ask about love.

What you feel for me is infatuation  
And it all started back during summer-vacation.  
Someone else needs my attention

And I can't go steady with you no more.

Don't cry on my shoulder

...

What you feel for me is infatuation

...

Don't cry on my shoulder

...

I think I know what's wrong with you

...

I don't know  
Don't know what to tell you

I don't know  
Don't know what to tell you

...
