I don't know  
If it's wrong or right  
When I see her tonight  
Someone else's there,  
Praying for me,  
Broken hearted inside

Yes, I promised her  
That love would stay  
A whole life through  
But it faded away  
And I couldn't say  
That I found someone new

(But) Don't you know  
Ships without harbor ever got to sail  
And I feel  
Just like an old wreck I did fail  
To rest in  
The sweetest harbor I have found  
For a sea  
That only tries to bring me down

Now I guess it's too late  
But I understand  
That I do her wrong  
'Cause I'm breaking her heart  
By gambling with love  
And don't leave her you alone

Yes, I promised her  
That love would stay  
A whole life through  
But it faded away  
And I couldn't say  
That I need someone new

(But) Don't you know  
Ships without harbor ever got to sail  
And I feel  
Just like an old wreck I did fail  
'Cause I leave

The sweetest harbor I have found  
With a dredge  
That someday'll drag me to the ground

I don't know  
If it's wrong or right  
When I see you tonight  
Someone else's there,  
Praying for me,  
Broken hearted inside

And so I run away  
'Cause if I would stay  
There'd be two hearts in dread  
That's why I'm on my way  
To leave both today  
And break three hearts instead

(But) Don't you know  
Ships without harbor ever got to sail  
And I feel  
Just like an old wreck I did fail  
To rest at  
The sweetest harbor I have found  
For a sea  
That only tries to bring me down
