Tribe!

Battle the patriarch  
Battle for equal rights  
Battle, battle, battle  
Battle back your liberty  
Battle the long night  
Come on  
Battle, battle, battle  
It's your time  
To join your tribe

Yes it's time  
For some victory  
Our time

Fight!

If you're sick  
Of being a victim  
Or their ignorance  
Then  
Battle the conservative  
Battle for your  
Battle battle battle  
Battle the homophobe  
But battle without war

Come on battle  
Battle, battle, battle

It's your time  
To join the tribe  
It's our time for some victory  
Fight  
Without fists

Since I was 12  
It's been me VS the world  
I got so sick of being told  
My identity was in minority  
But now we've got tribe  
And we've got some battle

And yes it's time  
To get some victory

Yes it's time  
For some victory  
Your time  
My time  
This is our battle
