I took you for a walk,
And I was so surprised,
I took one look into your eyes of solid oak,
And we went for a swim,
And I was captured into a photographic lens of solid
gold,

And why do you keep sitting there?
Alone.
And why do you keep sitting there?
Alone.

You know what time it is,
And do you wanna hide?
You know what time it is,
And do you wanna hide?

And I was tracking time,
When I try to do the math,
And walk along the path of righteous men,
? the change, evaluate the tricks,
Till everything was fixed and found again.

You know what time it is,
And do you wanna hide?
You know what time it is,
And do you wanna hide?
You know what time it is,
And do you wanna hide?
You know what time it is,
And do you wanna hide?

The tricks are?
The tricks are?
The tricks are?
