We're standin' here
Listening to your lies
Lies you spit from your twisted mouth
But we know what have in your evil mind
Do you think we can swallow that?

-chorus-

We're no fools
We're no slaves
You don't have the control
Your empty words are just a pain in the ass

We don't fear your authority
The crowd is here with a freedom flag
Now we're out off the line
Flashing in the dark
Nobody here walks a step behind

(Chorus)

Hey, Mr. Handsome
Who do you think you're lying to?
Hey, Mr. Asshole
You just want us to call you Mr. President!

Another town, another lie
Another vote for the run
That means more money
For your bank account

We're standing tall
And we won't fall
Come out and see the fuckin' crowd
It's done
Our people are here to break the chains

(Chorus)

-rap-

Burying the poor
You talk about the new democracy
I don't believe

No, I don't believe
I don't believe in your hypocrisy

And you can kiss my ass!
