You show me hell in the most beautiful light,
Your lies disguised as alibis.
You know you're hell behind your beautiful eyes,
A feeling I can't fight.

We're just a falling star,
We're just a broken seed.
And when an ocean parts,
Will you wanna sink our dreams?
I don't know what we are
Or what we'll ever be,
So listen when you feel your heart skip a beat.

(So listen when you feel your heart skip a beat)

You left me here without a breath or goodbye,
You never even tried.
You saw me then I was so perfectly blind,
A love I'll never find.

We're just a falling star,
We're just a broken seed.
And when an ocean parts,
Will you wanna sink our dreams?
I don't know what we are
Or what we'll ever be,
So listen when you feel your heart skip a beat.

You just like drawing scars
And leaving hope to bleed.
So if we fall apart,
Will I ever haunt your dreams?
I don't know who we are
Or what this means,
So listen when you feel your heart skip a beat.

Yeah, you said you felt the same,
But now who's to blame,
You threw it all away.
Yeah, you said you felt the same,
But then something changed,
You threw it all away. (x2)

We're just a falling star,
We're just a broken seed.

And when an ocean parts,
Will you wanna sink our dreams?
I don't know what we are
Or what we'll ever be,
So listen when you feel your heart skip a beat.

You're just like drawing scars
And leaving hope to bleed.
So if we fall apart,
Will I ever haunt your dreams?
I don't know who we are
Or what this means,
So listen when you feel your heart skip a beat
