VERSE:

On the floor, In the crowd
We scream so crazy really loud
Dancing dancing we don't care
If all these bitches stop and stare
We know you think your kinda hot
But sorry bitch your kinda not
So wipe those tears and gulp your beer
And get the fuck over it

CHORUS:

Dance dance
Dance with us tonight
Dance dance
Bitch don't start a fight
Dance dance
Dance with us tonight
Dance dance
You'll be gone by the end of the night

VERSE:

I stay mellow
You dance so crazy
Fuck off hoe
You don't even phase me
So go in your corner go cry tonight
While we dance our ass off through the night
We know you think your kinda hot
But sorry bitch your kinda not
So wipe those tears and gulp your beer
And just get over it

CHORUS:

Dance dance
Dance with us tonight
Dance dance
Bitch don't start a fight
Dance dance
Dance with us tonight
Dance dance
You'll be gone by the end of the night

BRIDGE:

Hands in the air if you don't care
Hands in the air if you don't care
Hands in the air if you don't care

Hands in the air if you don't care
CHORUS x2:
Dance dance
Dance with us tonight
Dance dance
Bitch don't start a fight
Dance dance
Dance with us tonight
Dance dance
You'll be gone by the end of the night
