VERSE:

I'm okay, I'm doing fine
Until this bitch has to walk on by
She acts like she knows us so she says hi
And I'm like yeah, Goodbye
Dirty and slutty, Skanky too
Oh what? She fucked him too?
That just proves that we all know
That she's a nasty nasty hoe

CHORUS:

H is for how the fuck does she get laid?
O is for oh my god she's so fucking lame
E is for everyone in here hates her guts
Cause everyone knows, That she's a dirty hoe

VERSE:

See that guy over there?
She's been giving him the slutbag stare
Go ahead have my sloppy seconds
Just know that I've got thousands
They just want some tits and ass
Ew that's gross
I think I'll pass
Yeah I know she's so fucking gross
There she goes taking off her clothes!

CHORUS:

H is for how the fuck does she get laid?
O is for oh my god she's so fucking lame
E is for everyone in here hates her guts
Cause everyone knows, That she's a dirty hoe

BRIDGE:

H-O-E

You will always be

H-O-E

You will always be

H-O-E

A walking STD

CHORUS x2:

H is for how the fuck does she get laid?
O is for oh my god she's so fucking lame
E is for everyone in here hates her guts
Cause everyone knows, That she's a dirty hoe
