[INTRO]

Kala Marie

And Zeffrey J

It's BlackLite

Get ready for us bitch

[VERSE]

Wave them dollar bills

In front of your face

Make you beg for them

Looking like a disgrace

Get on your knees

In your skin tight jeans

I can't help it

I love being a tease

[CHORUS]

Shake your ass

Show me some more

Don't be afraid to get dirty on the dance floor

I love you baby

I love you like I love cash

Now turn around bitch

And shake that ass

[VERSE 2]

Now that I have you

I want to have some fun

Two is trouble

There's a piece for everyone

You want me so bad

Then show me the cash

Well whatever I guess your not half bad

Yeah your okay

[CHORUS]

Shake your ass

Show me some more

Don't be afraid to get dirty on the dance floor

I love you baby

I love you like I love cash

Now turn around bitch

And shake that ass

[BRIDGE]

Give me the cash

And you can have my ass

Give me the dollars
And I can make you holler
Give me the cash
And you can have my ass
Give me the dollars
And I can make you holler
[CHORUS x2]
Shake your ass
Show me some more
Don't be afraid to get dirty on the dance floor
I love you baby
I love you like I love cash
Now turn around bitch
And shake that ass
