It's Zeffrey J
And Kala Marie
We're gonna party
Like celebrities
Lets go!

I may not be a celebrity
Yeah, I know how to keep it clean
I stay off my knees (sometimes)
You wanna be with me?
I'll show you how fun it can be
When you come chill with me
Come party with me!

We just wanna party party party
Like we're Lindsay Lohan
We are getting naughty naughty naughty
Like we're Paris Hilton
Nicole Richie?
She's my main bitch!
Not afraid to bust a slut in the lip
Give her a stitch, and Send her off quick
Ha Buh-bye!

Everyone is always taking pictures of me
I may look nice or even really sweet
But get too close bitch
And I'll cut you really quick
So get out of my face hoe
That's all you need to know

We just wanna party party party
Like we're Lindsay Lohan
We are getting naughty naughty naughty
Like we're Paris Hilton
Nicole Richie?
She's my main bitch!
Not afraid to bust a slut in the lip
Give her a stitch, and Send her off quick
Ha Buh-bye!

Gucci

Louis Vuitton
Fendi
Mcqueen
We own all of it
And everything in between
Calvin Klein
Burberry
Thierry Mugler
Everyone looks at us
We make everyone stare

We just wanna party party party
Like we're Lindsay Lohan
We are getting naughty naughty naughty
Like we're Paris Hilton
Nicole Richie?
She's my main bitch!
Not afraid to bust a slut in the lip
Give her a stitch, and Send her off quick
Ha Buh-bye!
Repeat x2
