I can remember when we walked together
Sharing a love I thought would last forever
Moonlight to show the way so we can follow
Waiting inside her eyes was my tomorrow
Then somethin' changed her mind, her kisses told me
I had no lovin' arms to hold me

Every day I wake up, then I start to break up
Lonely is a man without love
Every day I start out, then I cry my heart out
Lonely is a man without love

Every day I wake up, then I start to break up
Knowing that it's cloudy above
Every day I start out, then I cry my heart out
Lonely is a man without love

I cannot face this world that's fallen down on me
So, if you see my girl please send her home to me
Tell her about my heart that's slowly, slowly dying
Say I can't stop myself, I'm crying

Every day I wake up, then I start to break up
Lonely is a man without love
Every day I start out, then I cry my heart out
Lonely is a man without love

Every day I wake up, then I start to break up
Knowing that it's cloudy above
Every day I start out, then I cry my heart out
Lonely is a man without love

Every day I wake up, then I start to break up
Lonely is a man without love
Every day I start out, then I cry my heart out
Lonely is a man without love
