[oh bello]  
They come to dance  
And find romance  
In via roma  
In every bar  
Sweet guitar  
And sounds of laughter  
I simply smiled  
And raised a glass when she walked over  
Then love began  
She took my hand and said  
"Let's dance"  
We were sliding to the left  
BELLO BELLO!  
We were swaying to the right  
BELLO BELLO  
Oh my head was in a spin  
BELLO BELLO  
But I held her body tight  
And then this bella bella signorina  
With a smile so tender  
She put a rythm in my feet  
As we danced this crazy beat  
Ooohhh my bella bella signorina  
Baby I surrender  
Can you teach me more tonight?  
Or must I dance till mornin' light  
We were sliding to the left  
BELLO BELLO!  
We were swaying to the right  
BELLO BELLO  
Oh my head was in a spin  
BELLO BELLO  
But I held her body tight  
Uhhhh  
A oh bello  
It was by chance  
And circumstance that I should meet her  
Who would suspect  
I Would be infected by her fever?  
I raised my arms and shouted out  
"LA DOLCE VITA!!"

Then once again  
She took my hand  
And said "let's dance"  
We were sliding to the left  
BELLO BELLO!  
We were swaying to the right  
BELLO BELLO  
Oh my head was in a spin  
BELLO BELLO  
But I held her body tight  
And then this bella bella signorina  
Moved a 'lil closer  
And she whispered  
"Don't be shy.. you seem to be my  
Kinda guy"  
And i said bella bella signorina  
I'm no Casanova  
But im italian through and through!  
So lemme show you what we do!  
We were sliding to the left  
BELLO BELLO!  
We were swaying to the right  
BELLO BELLO  
Oh my head was in a spin  
BELLO BELLO  
But I held her body tight  
[Dialouge]  
BASTA BELLA OOO MANAGA RAGAZZA HO CAPITO  
AGGA OK 'STA MUSICA BALLOOO!!!  
To the left  
BELLO BELLO

BELLO BELLO

BELLO BELLO  
We were sliding to the left  
BELLO BELLO  
We were swaying to the right  
BELLO BELLO  
Oooohh my head was in a spin  
BELLO BELLO  
But i held her body tight  
BELLO BELLO  
Once again a lil slide  
BELLO BELLO  
Once again a lil spin  
BELLO BELLO  
And I kissed her on her cheek
