Como e bella ce la luna brille e strette
Strette como e tutta bella a passeggiare
Sotto il cielo di Roma

Down each avenue or via, street or strata
You can see 'em disappearing two by two
On an evening in Roma

Do they take 'em for Espresso
Yeah, I guess so
On each lover's arm a girl I wish I knew
On an evening in Roma

Though there's grinning and mandolining
In sunny Italy
The beginning has just begun
When the sun goes down

So, please meet me in the plaza near your casa
I am only one and that is one too few
On an evening in Roma

Don't know what the country's coming to
But in Rome do as the Romans do
Will you?
On an evening in Roma

Though there's grinning and mandolining
In sunny Italy
The beginning has just begun
When the sun goes down

Como e bella ce la luna brille e strette
Strette como e tutta bella a passeggiare
Sotto il cielo di Roma

Don't know what the country's coming to
But in Rome do as the Romans do
Will you?
On an evening in Roma
Sott'er celo de Roma
On an evening in Roma
