And the band strikes up a funky jazz..  
All aboard the funk boat that I'm about to start to  
sailing now  
All your riggers and all your party triggers. Everybody's  
in a funky blow out  
You now I said cell phone just around the corner from  
the portobello road  
Downtown double U ten and my best baby baby to what  
you don't told  
I've got bottles of beer, and a deck or two, all my  
friends are now comin in  
Lucy Ann Juice looking good girl, So all aboard and let  
the party begin.  
I'm on a mike a mickey, dance a mickey, funk a mickey  
step foaming out till the break of dawn  
So get up the ball it's time for ball foaming out till the  
morning comes...and I said:  
Have fun, Go mad - Do what I say  
Have fun, Go mad - Guilty of what I do  
Have fun, Go mad - Come on  
Have fun, Livin in the city  
Have fun, Go mad - Do what I say  
Have fun, Go mad - Guilty of what I do  
Have fun, Go mad - So come on  
Have fun, Livin in the city  
Come along, come along, come along everybody  
everybody in the place to be  
It's cabetabi cabetabi on a microphone petit on the  
funky base tree  
Now betterabee you gotta discswap, trendswap,  
friendswap just what you gotta do  
I said : Ladies and gentlemen, this one goes out to yo  
and I said:  
Have fun, Go mad - Do what I say  
Have fun, Go mad - Guilty of what I do  
Have fun, Go mad - Come on  
Have fun, Livin in the city  
Have fun, Go mad - Do what I say  
Have fun, Go mad - Guilty of what I do  
Have fun, Go mad  
Have fun, Livin in the city  
Here we go:

Sax Solo

So let it be, let it be my, my turn to dance

So makin' a space up on the floor. Cause I really wanna take this chance

Bust a move Trust a move Just a move you now I've got no shame.

I wanna Do it again, I wanna do it again, I wanna do do do do do do it again

I like it I like it I like it (sing it baby) Oh my God, I think I like it a lot

When you shake your funky tush in front of me like you know what you're giving like you know what you've got.

Cause it's a high proud, cool crowd, hang out clubhouse, Just where I Wanna be. I said:

Lord have mercy, lord have mercy on me..Yes

Have fun, Go mad - Do what I say

Have fun, Go mad - Guilty of what I do

Have fun, Go mad - Come on

Have fun, Livin in the city

Have fun, Go mad - Do what I say

Have fun, Go mad - Guilty of what I do

Have fun, Go mad - So come on

Have fun, Livin in the city

Have fun, Go mad - da da ta ta

Have fun, Go mad

Have fun, Go mad

Have fun, Livin in the city

Have fun, Go mad, Do what I say

Have fun, Go mad

Have fun, Go mad, So come on

Have fun, Livin in the city
