Every day I'm thinkin 'bout ya,
Every night I'm dreaming 'bout you.
See I can't live without ya,
Forever you are a part of me girl.

I love it when I see your face,
My heart beats at a faster pace.
The love you give,
No one on Earth can take that away.

You shine just like the stars,
You lift me up and down on Mars.
You're so sweet,
Like this melody.
That's why I'm telling you,
You're the best girl in the world!
You are, you are,
You are, you are,
You are, you are,
You're the best girl in the world!
You are, you are,
You are, you are,
You are, you are,
You're the best girl in the world!

I love it when I see your smile,
I love it when you let your hair down
You're so beautiful,
I want the whole world to know.
I love smelling your scent,
I love this feeling within.
To be the perfect girl,
Baby you are heavensent.

You shine just like the stars,

You lift me up and down on Mars.
You're so sweet,
Like this melody.
That's why I'm telling you,
You're the best girl in the world!
You are, you are,

You are, you are,
You are, you are,
You're the best girl in the world!
You are, you are,
You are, you are,
You are, you are,
You're the best girl in the world!

I feel love, I'm so intoxicated,
A touch from your hand really rocks my soul.
You're the greatest girl in history, yeah.
And fate tells me that you're made for me.
And that's why...

You are, you are,
You are, you are,
You are, you are,
You're the best girl in the world!
You are, you are,
You are, you are,
You are, you are,
You're the best girl in the world!

You shine just like the stars,
You lift me up and down on Mars.
You're so sweet,
Like this melody.
That's why I'm telling you,
You're the best girl in the world!
