She just keep tellin' me things  
Things I don't want to hear  
She just keep tellin' me things  
Things I don't want to hear  
She just keep tellin' me things  
Things I don't want to hear  
She just keep tellin' me things  
Things I don't want to hear  
She told me that she loves me  
Oh man  
She just keep tellin' me things  
Things I don't want to hear

Yeah  
yeah  
Yeah, get a special candid camera on me  
Makin' a move as we do this

She told me that she loves me  
Then she said she hates me  
She see me with my new girl  
Now she wants to rape me  
Maybe get me up in court  
So that she can spank me  
In front of the judge  
Your honor it's his baby  
She told me my head is funny  
I'm just big dick and big money  
So I let her fuck me and spit at me  
But she ain't walkin' away with a penny  
We was like Mork and Mindy  
Yeah we was like Mork and Mindy  
Yeah I told her I was from space  
And this girl believed me  
I told her I was a clone  
And they was probably 3 of me  
We out at the movies she coulda swore she saw me

Yeah  
yeah anyway

She just keep tellin' me things  
Things I don't want to hear  
She just keep tellin' me things  
Things  
She just keep tellin' me things  
Things I don't want to hear  
She just keep tellin' me things  
Things I don't want to hear
