Seems that I'm goin' coo-coo,

Dizzy as I can be,

Since that day we met, I've been all upset,

Something's happened to me,

All I've got, I find,

Is a one-track mind!

At times I'm out of my head,

I act in the street,

Forgetful the whole day through,

I can't think of

Nothin' but love,

Concentratin' on you!

Although I have my own bed

I sleep in the street,

I can't figure two and two,

Oh, how I rave,

I'm nearin' my grave,

Concentratin' on you!

I had a perfect memory,

Until you came to town,

Now since your spell is over me,

Boy, I'm bughouse bound!
Don't matter what happened tonight,
Don't know where I'm at,
A-boop-oop-a-doop-a-doop-doop,
In course of time,
I lose my mind,
Concentratin' on you!
I put my shoe on my head,
My hat on my feet,
Forgetful the whole day through,
I can't think of
Nothin' but love,
Concentratin' on you!
I put my clothes on the bed,
Sleep on the seat,
Can't figure two and two,
Got crazy ways,
I'm in a daze,
Concentratin', baby, on you!
I had a perfect memory,
Until you came along,
Now since your spell is over me,
My brain seems all wrong!
Sometimes I stand in my flat,
Don't know where I'm at,
I pay bills before they're due,

Got you to thank,
My mind's a blank,
Concentratin' on you!
