Written by sonny james and jack morrow
(as performed by patsy cline, radio transcription)

For rent, for rent, an empty heart
Just say the word and you can move right in
A long-term lease can be arranged
And it will never be for rent again

I don't need no money, cause it won't last
Just lots of lovin', that's all I ask
Oh, my baby, for rent, for rent, an empty heart
Just say the word and you can move right in

(repeat last verse)
