Tonight alone I'm thinkin'
Of the things we used to do
There's laughter all around me
But my heart still aches for you

The wedding bells are ringing
But to me their chimes are blue
How can I face tomorrow
When I know I'm losin' you?

The dreams we shared
Have all been torn apart
It's your wedding day
But I can't claim your heart

Now someone else will hold you
Just the way I use to do
How can I face tomorrow
When I know I'm losin' you?

The dreams we shared
Have all been torn apart
It's your wedding day
But I can't claim your heart

Now someone else will hold you
Just the way I use to do
How can I face tomorrow
When I know I'm losin' you?
