Don't wanta walk unless I'm walkin' with you
Don't wanta talk unless I'm talkin' to you
Don't wanta be lonesome, don't wanta be blue
Baby, that's how much I love you

Don't wanta cry unless I'm cryin' for you
Don't wanta sigh unless I'm sighin' for you
Don't wanta be found with somebody new
Baby, that's how much I love you

I built my whole world around you
Darlin', don't ever break my heart
I'm so glad that I found you
And in my life, you'll always play a part

Don't wanta live unless I'm livin' with you
Don't wanta give unless I'm givin' to you
Don't wanta be lonesome, don't wanta be blue
Baby, that's how much I love you

I built my whole world around you
Darlin', don't ever break my heart
I'm so glad that I found you
And in my life, you'll always play a part

Don't wanta live unless I'm livin' with you
Don't wanta give unless I'm givin' to you
Don't wanta be lonesome, don't wanta be blue
Baby, that's how much I love you

Baby, that's how much I love you
