Written by harlan howard and hank cochran  
(as recorded by jim reeves, november 21, 1961)

I fall to pieces  
Each time I see you again  
I fall to pieces  
How can I be just your friend

You want me to act like weve never kissed  
You want me to forget, pretend weve never met  
And Ive tried and Ive tried but I haven't yet  
You walk by, and I fall to pieces

I fall to pieces  
Each time someone speaks your name  
I fall to pieces  
Time only adds to the flame

You tell me to find someone else to love  
Someone wholl love me, too, the way you used to do  
But each time I go out with someone new  
You walk by and I fall to pieces

(I fall to pieces)  
Each time someone speaks your name  
(I fall to pieces)  
Time only adds to the flame

You tell me to find someone else to love  
Someone wholl love me too, the way you used to do  
But each time I go out with someone new  
You walk by and I fall to pieces
