Down in Dallas, near the Palace
I met a boy who was so cute
I loved his huggin', I loved his kissin'
As we sat in his little red coupe

He said, "Tell me, confidentially
How much do you love me?"
Well, I thought awhile and then I smiled
And this is what I told him, dontcha see

I love you honey, I love your money
I love your automobile
I love you baby, I don't mean maybe
You're the sweetest thing on wheels

I love your kisses, I wouldn't miss it
No matter how I feel
I love you honey, I love your money
Most of all, I love your automobile

Down in Dallas, near the Palace
I met a boy who was so cute
I loved his huggin', I loved his kissin'
As we sat in his little red coupe

He said, "Tell me, confidentially
How much do you love me?"
Well, I thought awhile and then I smiled
And this is what I told him, dontcha see

I love you honey, I love your money
I love your automobile
I love you baby, I don't mean maybe
You're the sweetest thing on wheels

I love your kisses, I wouldn't miss it
No matter how I feel
I love you honey, I love your money
Most of all, I love your automobile
Most of all, I love your automobile
