There's a lot of ways of saying what I want to say to you  
There's songs and poems and promises and dreams  
that might come true  
But I won't talk of starry skies or moonlight on the  
ground  
I'll come right out and tell you, I'd just love to lay you  
down

Lay you down and softly whisper pretty love words in  
your ear  
Lay you down and tell you all the things a woman loves  
to hear  
I'll let you know how much it means just having you  
around  
Oh darlin', how I'd love to lay you down

There's so many ways your sweet love made this house  
into a home  
You've got a way of doing little things that turn me on  
Like standing in the kitchen in your faded cotton gown  
With your hair up in curlers, I'd still love to lay you down

Lay you down and softly whisper pretty love words in  
your ear  
Lay you down and tell you all the things a woman loves  
to hear  
I'll let you know how much it means just having you  
around  
Oh darlin', how I'd love to lay you down

When a whole lot of Decembers are showin' in your  
face  
Your auburn hair has faded and silver takes it's place  
You'll be just as lovely and I'll still be around  
And if I can I know that I'd still love to lay you down

Lay you down and softly whisper pretty love words in  
your ear  
Lay you down and tell you all the things a woman loves  
to hear  
I'll let you know how much it means just having you  
around

Oh darlin', how I'd love to lay you down

Lay you down and softly whisper pretty love words in  
your ear

Lay you down and tell you all the things my woman  
loves to hear

I'll let you know how much it means just having you  
around

Oh darlin', how I'd love to lay you down

Lay you down and softly whisper pretty love words in  
your ear

Lay you down and tell you all the things my woman  
loves to hear

I'll let you know how much it means just having you  
around
