Loretta Lynn

How sweet and happy seem those days of which I
dream
When memory recalls them now and then
And with what rapture sweet my weary heart would
beat
If I could hear my mother pray again.

If I could hear my mother pray again
If I could hear her tender voice as then
How glad I would be with who means so much to me
If I could hear my mother pray again.

--- Instrumental ---

She used to pray that I, on Jesus would rely
And always walk the shining gospel way
So trusting still his love I'll seek that home above
For I shall meet my mother some glad day.

If I could hear my mother pray again
If I could hear her tender voice as then
How glad I would be with who means so much to me
If I could hear my mother pray again...
