We've been sweethearts for so long  
But now you say, we're through  
The love we shared is now a memory  
I have built a ship of dreams  
And planned them all for you  
But now I guess what is to be, will be

I'll sail my ship alone  
With all the dreams I own  
Drifting out across the ocean blue  
Yes, I'll sail my ship alone  
Though all the sails you've torn  
And when it starts to sinkin', I'll blame you

Now, I gave a message to the wind  
To take back home to you  
Hoping you would hear my SOS  
I thought that you would come back home  
My darlin', if you knew  
How much my achin' heart was in distress

Well, I'll sail my ship alone  
With all the dreams I own  
Drifting out across the ocean blue  
Yes, I'll sail my ship alone  
Though all the sails you've torn  
And when it starts to sinkin', I'll blame you
