So long we've been married  
Life's burdens we've carried  
Tho' faith kept us humble  
And made our love grow  
The plans that we make up  
Someone seems to break up  
But darlin' what else can we do

(chorus)

We may have to leave here  
To find peace of mind, dear  
Some place where we can live  
A life all our own  
For I know you love me  
And happy we could be  
If some folks would leave us alone

They say you are leaving  
That you are deceiving  
But you tell me they say  
The same about me  
But we'll show them that they're wrong  
That loose talk will do harm  
And hope that the truth they will see

(chorus)

When I go out walkin'  
There's lots of loose talkin'  
They say we're unhappy  
And we'll break apart  
But, darling, it's not true  
Because I still love you  
And I do with all of my heart  
Yeah!

(chorus)
