Today, Tommorrow and Forever  
Patsy Cline  
(With Love)

How warm is the love in my heart for you?  
As warm as the sun in the sky of blue!  
How long will it shine if you say you're mine?  
Today, tomorrow and forever!  
How strong was my love from the very start?  
How long will it last in my happy heart?  
How much would I cry if we'd ever part?  
Today, tomorrow and forever!  
Cause if you weren't there to share my love,  
Who cares if the sky should fall?  
For anyone can see how much you mean to me,  
You're my life, my love, my very all!  
And as long as the tides of the ocean flow,  
As long as the trees and the flowers grow,  
So long, oh my love, will I love you so,  
Today, tomorrow and forever!  
Cause if you weren't there to share my love,  
Who cares if the sky should fall?  
For anyone can see how much you mean to me,  
You're my life, my love, my very all!  
And as long as the tides of the ocean flow,  
As long as the trees and the flowers grow,  
So long, oh my love, will I love you so,  
Today, tomorrow and forever!  
Today, tomorrow and forever!
