Last night I met a woman  
You'll recognize her name  
Who, in our conversation  
Told me you were her old flame  
Well, I didn't want to listen  
But as she told me more  
I learned more about you  
Than I ever knew before

Chorus:  
(you're keepin') too many secrets from me  
But, baby, now I'm wise to you  
You'll fool me like the others  
And I know what you'll do  
You'll find yourself a new love  
And keep me a secret, too

Well, I walked up to a counter  
To buy some cigarettes  
And standin' there beside me  
Was a gal I'd never met  
She pulled out her wallet  
And, much to my surprise  
There she held your picture, baby  
Right before my eyes

Repeat chorus (2x)

You'll find yourself a new love  
And keep me a secret, too
