Fats Domino

When my dreamboat, comes home  
And my dream no more will roam  
I will meet you and I'll greet you  
When my dreamboat comes home.

Moomlit waters will sing  
Cause that tender love you'll bring  
We will be sweethearts, yes forever  
When my dreamboat comes home.

When my dreamboat, comes home  
And my dream no more will roam  
I will meet you and I'll greet you  
When my dreamboat comes home.

Moonlit waters will sing  
Cause that tender love you'll bring  
We will be sweethearts, yes forever  
When my dreamboat comes home.
