Yes, I know why I want to cry, it's over you
And I'm painting the town feeling blue
Should you ever love one that's untrue?
Then you'll know why I want to cry, it's over you

Well, I tried you all over again
And you just smiled all over again
I should have known that you'd never be true
Yes, I know why I want to cry, it's over you

Yes, I know why I want to cry, it's over you
And I'm painting the town feeling blue
Should you ever love one that's untrue?
Then you'll know why I want to cry, it's over you

Well, tomorrow I'll be twice as blue
I'm so low I could die over you
Yes, I'm asking for heartaches anew
And I know why I want to cry, it's over you
