Come take me out of this nightmare
Come take me out of this
Nightmare
Nightmare

Come take me out of this nightmare
Come take me out of this
Nightmare
Nightmare

Bad dreams are crawling into me
Wooah-o
Wooah-o

Bad thoughts are sinking in my skin
Wooah-o
Wooah-o

So I guess your loves as sweet as sin
Wooah-o
Wooah-o

So wake me up or I'll begin
WHY don't YOU WAKE ME UP

Come take me out of this nightmare
Come take me out of this
Nightmare
Nightmare

Come take me out of this nightmare
Come take me out of this
Nightmare
Nightmare

So never put your trust in me
Wooah-o
Wooah-o

I whipped a knife out of your brains
Wooah-o
Wooah-o

I can take you back your out of time
Wooah-o
Wooah-o

Like a suicide I've lost my mind
Like a suicide

Come take me out of this nightmare
Come take me out of this
Nightmare
Nightmare

Come take me out of this nightmare
Come take me out of this
Nightmare
Nightmare

Come take me come take me
Out of this nightmare
Come take me come take me
Can't take this anymore
Come take me come take me
Out of this nightmare
Come take me come take me
Can't take this anymore

Come take me out of this nightmare
Come take me out of this
Nightmare
Nightmare

Come take me out of this nightmare
Come take me out of this
Nightmare
Nightmare
