Spotlights around, sound play in my ear
Dj keep spinning, spinning records, my dear
Ladies you know you sexy, just let it show
Party out of control, nobody wants to go home
Party under the moon

Turn off the lights, let the music get you right
Toast to the night, drinks up in the sky
Let's party till we pass, pass, pass, pass out
Let's party till we pass, pass, pass, pass out
Let's party till we pass, pass, pass, pass out
Let's party till we drop, let the music rock, rock, rock
Rock, rock, rock, rock, rock
Rock, rock, rock, rock, rock

Oh my lord, beg your prayer,
We've been going hard all day
All I heard was ...thought it was a dream, mmk
Ok she drink she go she's the one
We gonn party till we see the sun
Another shot to my people, all done
Tell the dj bring it back so

Turn off the lights, let the music get you right
Toast to the night, drinks up in the sky
Let's party till we pass, pass, pass, pass out
Let's party till we pass, pass, pass, pass out
Let's party till we pass, pass, pass, pass out
Let's party till we drop, let the music rock, rock, rock
Rock, rock, rock, rock, rock
Rock, rock, rock, rock, rock

Hold up, hold up, timbo
Dellasutra, make em come low
Tell the girl to sip a little more
I'm your favorite drug take a dose
But, but, hold up girl
Another bottle got us in another world
Red bottom leave mars girl, pour another drink till
we're going sour

Let's party till we pass, pass, pass, pass out

Let's party till we pass, pass, pass, pass out
Let's party till we pass, pass, pass, pass out
Let's party till we drop, let the music rock, rock, rock
Let's party till we pass, pass, pass, pass out
Let's party till we pass, pass, pass, pass out
Let's party till we pass, pass, pass, pass out
Let's party till we drop, let the music rock, rock, rock
Rock, rock, rock, rock, rock
Rock, rock, rock, rock, rock
